VILLAGE HARVEST™

SHARING OUR GARDENS AND TALENTS TO STRENGTHEN OUR COMMUNITY

Got Fruit?

More than you can use?

Don't let it go to waste or become a nuisance!

Village Harvest volunteers harvest fruit from homes and orchards for people in need, and help tree owners share their extra. Your fruit can be healthy food for hungry people instead of going to waste or becoming a nuisance.

Share your fruit!

If you have a large amount or are physically unable to harvest, volunteers may be able to pick it for you at no charge.

If you have a smaller amount or can pick it yourself, visit our web site or call for easy ways to harvest and the locations of food banks where you can take your fruit.

Volunteer with us

Have fun, meet interesting people, and make a difference for thousands in only a few hours of your time.
