Plums			Stone Fruit (in same hole)			Asian		European				
Apricot			Cherry, Early Plum, Nectarine									
Peaches												
Apples						Pomme Fruit (in same hole)						
Persimmons							Pear, Early & Late Apple					

High Density Plantings

What is Village Harvest?

A nonprofit suburban harvesting cooperative which brings together neighbors and community organizations to provide food for the hungry, preserve our heritage and skills, and promote sustainable use of urban resources.

What We Do:

- Harvesting... overabundant neighborhood fruit trees, providing several tons of food for the hungry.
- Education... on use and appreciation of our Valley's overlooked natural resources.
- Preserving... trees, our Valley heritage and skills in fruit tree care and food preservation for future generations.
- Connection... people to people, growing a deeper sense of community.

RHYMES WITH ORANGE | Hilary B. Price

HONEY, PLEASE DON'T PLAY WITH THE TOMATO-- WE NEED IT FOR THE SALAD.
